If you have an extenuating circumstance & your conflict cannot be rescheduled [i.e., a long standing doctor's appt.], please submit the specific day, date & time information with your registration form. While there is no guarantee, we will try to accommodate your request: failing that, you will be notified & refunded.
11. **Players with schedule conflicts may be limited to playing in only 1 event.**
12. Once the draw has been posted, there will be no changes or refunds.

15. Players are expected to be as accurate as possible regarding their playing level. If you have played on a team within the past 2 years, you must enter the tournament "at or above" that rating. Players may not play at a lower rating but may play at a higher rating.
16. Players between ages 50-64 must play in events by rating.
17. Players ages 65 & over may play in events by age &/or rating.
18. If an event does not have the minimum number of 3 players or teams to provide a guarantee of 2 matches, you will be contacted regarding your options: Move to a higher skill level, or move to a younger age level, or refund.
19. Players will be informed by phone of their initial match start time on Saturday March 21st. No other match times will be given by phone as there are sometimes schedule changes.

How to measure:

BODY WIDTH: Lay garment flat. 1" below the armhole flat measure the garment across the chest.

Note: The women's shirts are tapered at the waist & are smaller than the men's. The body width measurement is the same near the bottom as it is at the top. The waist is narrower. If you feel that you may need a little more room in the middle, consider getting the next size larger or you may choose a men's shirt.

FULL BODY LENGTH: Lay garment flat (face down). Measure from center back neckline seam straight down to back bottom hem.
